

All the Papers are published till to date by Anupam Ghosh and Sourav Saha

Papers in Conference Proceedings:

- /Ghosh, A./, Saha, S., Saraswati, P.K., Banerjee, S., Burley, Gundu Rao, T.K., 2007., /Gallitellia/-A Proxy for palaeo-monsoonal upwelling on the western coast of India. Accepted for oral presentation at GSA 2007 Annual Meeting and Exposition, Denver, 28th - 31st October 2007, USA.

- Saha, S., /Ghosh, A./, Saraswati, P.K., Banerjee, S., Burley, S., 2007., Tidal Sand Bars in the Gulf of Khambhat using Satellite Images and Field Mapping, Western India. AAPG Annual Convention and Exhibition, California, USA, pp. 121.

- /Ghosh, A./, Saha, S., Saraswati, P.K., Banerjee, S., Burley, S., 2006. Pleistocene sea-level highstand in the Narmada Estuary, Western India. Petroleum Geoscience Collaboration Conference, Geological Society of London, UK, pp. 37.

- /Ghosh, A./, Saha, S., Saraswati, P.K., Banerjee, S., Burley, S., 2006. The Distribution of Modern Foraminifera in the Macrotidal Estuaries of the Gulf of Khambhat. 3rd Association of Petroleum Geologists Conference, Goa, India, pp. 178-179.

- Saha, S., /Ghosh, A./, Saraswati, P.K., Banerjee, S., Burley, S., 2006. Integrated geomorphic, sedimentological and sequence stratigraphic analysis of an estuarine embayment: defining depositional geometries for understanding the Tapti reservoirs, Offshore Western India. Petroleum Geoscience Collaboration Conference, Geological Society of London, UK, pp. 40.

- Saha, S., /Ghosh, A./, Saraswati, P.K., Banerjee, S., Burley, S., 2006., Tidal bars in a macrotidal estuarine embayment: the Gulf of Khambhat, western India. 3rd Association of Petroleum Geologists Conference, Goa, India.
